Shriram Alkali & Chemicals certified for “Responsible Care”

Bharuch: Shriram Alkali and Chemicals, a unit of DCM Shriram Ltd located at Jhagadia (Bharuch) has been accredited as *Responsible Care* Company by the Indian Chemical Council (ICC) recently. Responsible Care Programme is a global voluntary initiative developed by International Council of Chemical Associations (ICCA) to motivate the industry to adopt guidelines for responsible environmental, health, safety and security (EHS&S) performance.

The initiative is driven by its guiding principles wherein chemical manufacturers strive to create sustainable development through safer products, improved people health and safety, process safety and environmental safety. The manufacturers are periodically assessed by ICC auditors for conformance with the Responsible Care principles.

Shriram Alkali & Chemicals adheres to the highest standards of safety and sustainability. This accreditation is a testament to our EHS performance. This is one among many steps towards our endeavour to build world-class sustainable manufacturing operations at DCM Shriram chemicals business.
